The P.S. to M.H. now represents that a lumpsum grant of Rs 2500/- may be sanctd on condition that it be applied to paying the salary of such an offr. This proposal amounts to saying that if an Asst Surgeon cannot be spared for nine months at a cost of Rs 750/- or so Govt may give a grant of over nine times the amount. The request of the P.S. is for orders. Perhaps the S.S. & Fl Secy may be consulted.

As directed by the Hon'ble Minister, I beg to resubmit this file for orders.

I understood from Sir Charles Todhunter that a definite promise of some financial help had been made to him, that the Mysore Govt had decided upon a monthly grant of Rs. 100 to him for the purpose and that he hopes to get a similar sum from the Baroda Govt. On the strength of these promises he said that he had appointed a Lady doctor that he has received some very good applications. He also added that if some help

War not given, he would be in a rather embarrassing position

Apart from this, it would, I think, be a pity to drop this useful line of work if it could possibly be helped. There is a large sum of about Rs. 25,000 at the credit of the Chattram Savings Fund which is proposed to be deposited in the Savings Bank as there is no use for it for at least two years. I think a sum of Rs. 1200 may be granted out of this fund for Maternity and Child Welfare work.

38) It will be seen from the files put up, that a sum of Rs.2,000 per annum is being alredy paid towards the maternity and child welfare work in the Mysore City. - Vide Budget of the Chattram Savings Fund placed below. It is now proposed to sanction an additional sum of Rs.2,500 per annum from the same fund. Whether ~~there~~ a sum of Rs. 4,500 per annum could be granted from one fund to the same kind of work in a particular place has to be considered. This is a recurring grant and its effect upon the budget of the Fund has also to be taken ~~to~~ into account. In view, however, of the useful nature of the work, I would suggest that a grant of Rs.1,200 as was suggested at first by the First Member and the Dewan may be sanctioned for a period ~~of~~ of three years. This would mean a grant of Rs.3,200 on the whole from the Chattram Savings Fund for this work in Mysore City.

SIR CHARLES TODHUNTER, K.C.S.I., J.P.,

Private Secretary to His Highness

Chairman of the Executive Committee of the Mysore State Branch, Indian Red Cross Committee, Bangalore

To

R. RANGA RAO, ESQUIRE, B.A., B.L.,

GENERAL SECRETARY'S 18 APR. No.

Sir,

I have the honour to acknowledge receipt of your letter No.G.7391/Med.208-32 of the 17th instant in which you have advised me with reference to my request for the deputation of a lady Assistant Surgeon to supervise the work in connection with maternity and child welfare, that it is very much regretted it will not be possible to spare the services of a lady Assistant Surgeon.

In these circumstances the next best thing appears to be to try and secure a lady trained in maternity and child welfare work, and I am issuing an advertisement accordingly. I am doing this in the hope that the Government will be prepared to pay, if not the whole of the cost of the appointment, a substantial contribution towards the same. The Red Cross budget for the year, even after drastically cutting down all the grants, has closed with a balance in hand of only Re.0-5-1, and the only source from which the Red Cross can hope to secure a contribution to the salary of the Lady Organising Secretary lies in possible contributions from the larger Municipalities and from the Gunamba Trust. In these circumstances, I have the honour to request that the Government will be pleased to sanction a lump grant of ₹2,500, on the condition that it be applied to paying the salary of such an appointment as is contemplated. Should the Red Cross be unable to secure a satisfactory lady, the grant would be repaid. Perhaps I may be

permitted to mention in this connection that the Municipality of the Civil and Military Station spend a sum of Rs20,000 a year on maternity and child welfare work whereas the present grant of Rs2,500 is asked for on behalf of the whole State.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman,

Dear Mr.Ranga Rao,

I hope you will pardon my asking you to see if you could possibly get me orders on the application for a grant towards the employment of a lady organising secretary for maternity and child welfare work before the 28th instant.

I am laying particular stress on this because I have fixed the 29th for the meeting of the Red Cross Committee, which is to effect a reorganisation of the work consequent on the desire of Dr.Karve and Mr.N.S.Subba Rao to give up their secretaryships, which they find involves more work than they can continue to do without prejudice to their Government duties. The reorganisation depends very largely on our having a full time lady to take over a considerable part of work.

I have been encouraged to hope that the Government will see their way in giving the Red Cross this grant because of the very encouraging speeches made by the Dewan on the 10th and 12th, which were followed by an informal discussion with the Members of Council, at which I think it was generally recognised that the work could not go on without some appointment of the sort.

On the strength of these expectations I have advertised for applicants for the post and have already received one or two applications from people who, I think, may be quite suitable.

I hope that you will also be finding that the entertainment tax is bringing in an unexpected increment to your revenues. The Race Club paid you quite a respectable sum after the race meetings of the 15th and 17th.

Yours sincerely,

G Adamson

With reference to your letter No.G.7582/Med.208-32-6 dated 24-4-1933 forwarding for my opinion a copy of letter dated 15-4-1933 received from the Private Secretary to H.H. the Maharaja of Mysore requesting the grant of a sum of Rs.2500/- to meet the salary of a Lady Doctor trained in Maternity and Child-Welfare Work, I have the honour to state that the grant of Rs. 2500/- is solely intended to meet the salary of the Lady Doctor and it works out more than Rs.200/- a month. I am of opinion that this is much too high a salary to be given at present to the Lady Doctor proposed to be appointed. I am of opinion that a sum of Rs. 100/- a month or Rs. 1200/- per annum is adequate and may be sanctioned.

I may however observe that no source is available in the P.U.

The cost will be met from the Chattram Savings Fund

in the Medical Budget to meet this expenditure.
